Community Development Technician I/II*

Filing Deadline: 5:00pm on Friday, March 27, 2020

Community Development Technician I: $62,424 - $76,596
Community Development Technician II: $71,784 - $88,092

*Limited One-Year Term with Full Benefits

The Position

The City of San Bruno is currently recruiting for a dynamic, customer service oriented, Community Development Technician I/II. This position performs a variety of routine and complex clerical, administrative, and technical work in the processing and review of planning and building entitlement applications. This position works under the general supervision of the Chief Building Official.

The Community Development Technician I position is an entry-level position, distinguished from the Community Development Technician II by the performance of the more routine tasks and duties. Employees exercise judgment and discretion within well-defined parameters and seek guidance on new or unusual situations.

The Community Development Technician II position is a journey-level position, performing the full range of duties and tasks requiring a high level of technical and interpersonal skills. Employees at this level receive only occasional instruction or assistance as new or unusual situations arise, and they are fully aware of the operating procedures and policies within the department.

The Department

The Community & Economic Development Department includes the Planning and Building Divisions. The Planning Division of the Department is responsible for land development review, project management and application processing, including environmental review, plan check, inspection and long range planning needs. The Building Division is responsible for all aspects of building plan check, inspection services, and code enforcement efforts.

Excellent Benefits

- Enrollment in CalPERS retirement program (2.7%@55 for classic members, 2%@62 for new members)
- Medical, dental and vision benefits provided with employee contribution
- Life insurance equal to one year’s annual salary provided at no cost
- Opportunity for bilingual incentive pay up to 2.5% of salary
- Deferred compensation matching up to $300 annually calculated on a bi-weekly basis
- Long-term disability insurance provided at no cost
- 10-23 days vacation based on years of service
- 14.5 paid holidays annually
- Section 125 Flexible Benefit Plan
- Tuition Reimbursement
Minimum Qualifications

Education and Experience

Community Development Technician I
Possession of an AA/AS degree from an accredited college or technical training in land use, urban planning, architecture, public administration, building technology, or a closely related field.
One (1) year of experience in general construction, land use/planning or related field.

Community Development Technician II
Possession of an AA/AS degree from an accredited college or technical training in land use, urban planning, architecture, public administration, building technology, or a closely related field.
Two (2) years of experience in general construction, land use/planning, or related field.

Special Requirements:
International Code Council (ICC) or comparable certification as a Permit Technician or the ability to successfully obtain this certification prior to completion of probationary period.

Necessary Knowledge and Skills
Applicants should possess knowledge of international and California Building Codes and general land use development; zoning regulations; building administration; manual and computerized record-keeping systems.
In addition, applicants should possess the ability to work effectively with contractors, developers, architects, engineers, owners, and the general public; read and understand complicated plans and blueprints; communicate effectively orally and in writing; work under stressful conditions with frequent interruptions. The successful candidates will have excellent customer service skills as this position is responsible for working at the Community Development counter and frequently interacts with residents, business members, and contractors.

How to Apply
Applications may be submitted online at www.calopps.org. Applications must be received by 5:00pm on Friday, March 27, 2020. After an initial screening of applications, those candidates that best meet the Department's needs will be invited to participate further in the recruitment process.

Applications must be received by 5:00pm on Friday, March 27, 2020
