As a full-service city of 389 full-time employees with water utility, sewer utility, police and fire services, Milpitas serves a diverse population of nearly 80,000. The city has an annual \$191 million operating budget and a \$315 million capital improvements budget.

Milpitas is the eighth-fastest growing city in the United States according to the US Census, and the second-fastest in California. It has the third highest job growth among the 515 qualifying cities rated by Wallet Hub. The homeownership rate is close to 70%, and the Milpitas housing market remains relatively affordable in Santa Clara County. Milpitas is often called the "Crossroads of Silicon Valley" with most of its 14 square miles situated between two major freeways (I-880 and I-680), Route 237, and a County expressway. In June 2018, Livability Magazine ranked Milpitas fifth by out of more than 2,000 American cities for "[Best Cities for STEM Workers.](#)"
