“This job can be fast-paced or slow, stressful or calm, emotional or impassive – no day is the same. But the one thing that remains constant is that every day you can go home feeling like you’ve accomplished something and possibly made a difference in somebody’s life. Doing this job, and working so closely with this tight-knit group of people, is an incredibly rewarding experience.” -J. Santos, Lead Public Safety Dispatcher

About Our Team

- We are a dedicated team of professionals committed to providing excellent service to the community and we are looking for lateral dispatchers to join our fast-paced, team oriented environment.
- Hourly lateral dispatchers can work up to 29 hours on a weekly basis.

What We Do

- Process over 132,000 inbound and outbound calls a year.
- Select and dispatch emergency response units and monitor field personnel and dispatch assistance for Police, Fire, and Midpeninsula Regional Open Space District.
- Make rapid determination of the nature of each call and the degree, severity, and location of any emergency.

What You Bring

- One year or more of recent experience as a public safety dispatcher comparable to the position of PSD I with the City of Mountain View.
- Equivalent to the completion of the 12th grade
- Ability to type 35 (net) words per minute
- Possession of the P.O.S.T Certified Public Safety Dispatcher Basic Certificate (may be substituted by out-of state Emergency Call Center certificate/license)
- Possession of a California Class C driver license within six months of appointment.

Bonus Points (Highly Desirable):

- 18 months of experience with 911, text to 9-1-1, and non emergency call triaging, dispatching police, fire and providing emergency medical dispatch services with a law enforcement agency
- Possession of an Emergency Medical Dispatch (EMD) Certification

Who You Are

- You have the ability to multi-task and triage incoming calls and radio communications.
- You are a strong communicator with excellent interpersonal skills who knows how to talk to people, elicit pertinent information, and remain calm in stressful situations.
- You can think outside the box and come up with new ideas and solutions.
- You have a commitment to career-long learning and have the ability to receive constructive feedback and apply it in your future work.
- You have excellent computer skills and are adaptable with learning new technology.
- You are flexible, highly motivated, mature and willing to work weekends, various shifts, and holidays.

What You'll Do

- Operate a Computer Aided Dispatch (CAD) Intergraph system with speed and accuracy to create events for service, dispatch Police and Fire and document field unit activity.
- Deftly utilize and multi-task between the telephone, radio and CAD systems all from the same work console.
- Responsible for 9-1-1, text to 911, and non emergency call triaging and implementing Emergency Medical Dispatch services over the phone as appropriate.
- Make rapid determination of the location, nature, time element and degree of severity for any presented emergency or situation. If necessary, refer callers to the appropriate agency or other resource.
- Question callers who may be distraught, angry or incoherent to elicit information necessary for emergency response that is as complete and accurate as possible; enter the subsequent information into the CAD system.
- Select emergency response field units in exact accordance with established user agency policies and procedures.
- Promptly and accurately alert and relay critical facts verbally and digitally to appropriate emergency response units in exact accordance with user agency policies and procedures.
- Maintain an accurate record of location and current status on all emergency response field units. Maintain radio contact with field units and enforces proper channel control, discipline and courtesy.
- Closely monitors any situation presenting a potential danger to life or safety of emergency field unit personnel and/or citizens; take immediate action to dispatch assistance as required.
- Maintain records and logs within the CAD system reflecting the details of all created events.
- Access automated law enforcement systems, input data and information and make accurate entries into automated record files in accordance with applicable laws, statutes, and Department of Justice requirements.

Are You Ready? Apply!

Submit your application online at www.calopps.org or to the Human Resources Division, City of Mountain View, 500 Castro Street, Mountain View, CA 94041, (650) 903-6309. Application materials will be screened on a continuous basis. Candidates with the most relevant qualifications will be invited to an interview.

Fine Print

***Full-time dispatchers currently performing journey level dispatch duties at other agencies may qualify for the higher hourly salary range (verification of continued full-time employment will be required).**

Candidates with a disability who may require special assistance in any phase of the application or testing process should advise the Human Resources Division upon submittal of application. Documentation of the need for accommodation must accompany the request. The City of Mountain View is an Equal Opportunity Employer (EOE).

Prior to hire, candidates will be required to successfully pass a medical exam, psychological screening and an extensive background investigation conducted under POST guidelines, including a Department of Justice (DOJ) fingerprint check, prior to employment. The background process may be expedited if candidate is currently employed as a lateral with a law enforcement agency. A conviction history will not necessarily disqualify an applicant from appointment; however, failure to disclose a conviction will result in disqualification or termination.
