

ASSOCIATE TRANSPORTATION PLANNER

**\$64,890 - \$85,078 ANNUALLY
PLUS EXCELLENT BENEFITS**

The Stanislaus Council of Governments (StanCOG) is seeking a qualified planning professional to be a part of the StanCOG team.

The Position: The Associate Transportation Planner is an exciting career opportunity within the professional Planner series. The successful candidate will perform professional planning duties related to planning, programming and contract administration, and possess technical skill and knowledge for an assigned program area.

Candidates: Successful candidates will have two years or more of transportation planning experience, a Bachelor's degree in regional, urban or transportation planning, community development, public policy or a related field from an accredited college or university.

The ideal candidate will communicate effectively, both orally and in writing, be able to coordinate multiple projects and tasks efficiently, and enjoy working in a collaborative team environment.

Benefits: StanCOG offers a competitive salary and excellent benefit package including retirement benefits, health benefits, a flexible schedule and more!

About StanCOG

StanCOG is the federally-designated Metropolitan Planning Organization (MPO), state-designated Regional Transportation Planning Agency (RTPA), and Local Transportation Authority (LTA) for the Stanislaus region of Northern California. StanCOG provides the forum that brings mayors, city council members and county supervisors together to work on regional transportation issues in a setting that promotes the involvement of the public in the planning process.
