JOB TYPE	Full Time - Open to all applicants	JOB NUMBER	24-161
DEPARTMENT	Public Works	DIVISION	Engineering & Inspection Division - 1908
OPENING DATE	07/16/2024	CLOSING DATE	Continuous
FLSA	Non-Exempt		

Job Details

Under direct supervision, performs a variety of difficult and complex professional office and field engineering work; prepares plans, designs, and specifications for a variety of the Department of Public Works projects; reviews work prepared by outside consultants; prepares engineering reports; and performs related duties as assigned.

Full Time, Part Time, and/or Remote. Primary duty is to review and comment on plans, specifications, and estimates for capital improvement projects. Projects may include road, bridge, and airport improvements. Must live in California and possess a California Professional Civil Engineer License.

Minimum Qualifications

Licensing and Certifications:

Possession of, or ability to obtain, an appropriate valid California Driver's License.

Possession of a valid registration as a Professional Civil Engineer from the California Board of Registration for Professional Engineers, or the ability to obtain registration by reciprocity within six (6) months from date of appointment.

Education and Experience:

Equivalent to a Bachelor's degree from a four-year college or university with major coursework in Civil Engineering or a closely related field.

Three (3) years of full-time increasingly responsible engineering experience in the planning, development, construction, and maintenance of public works facilities.

A Master's degree in civil engineering, or a related field may be substituted for one (1) year of the required experience.

Additional directly related experience and/or education may be substituted.

General Recruitment Information

To view the complete job description, you have two options: Either visit <https://www.governmentjobs.com/careers/lakecountycalassspecs> or simply click on this link.

The information presented in job postings, job descriptions, or recruitment materials does not form a legally binding contract, either explicit or implicit. Benefits may differ among different employee groups. The details provided in these materials are subject to change or cancellation without prior notification. Prospective employees of the County of Lake must undergo the County's pre-employment medical review program upon receiving a conditional job offer before assuming their position with the County.

Applicants may substitute relevant experience and/or education at a 2 to 1 ratio to fulfill minimum qualifications. For further details, individuals should reach out to the Human Resources department.

ADA Accommodations

Individuals in need of accommodation during the application and/or selection process under the Americans with Disabilities Act (ADA) should reach out to County of Lake Human Resources at (707) 263-2213.

The County of Lake is dedicated to valuing diversity and promoting inclusion, recognizing that our diverse workforce is our most valuable asset, and ensuring our customers remain our top priority.
