

2023

Summer Internship Program

In partnership with Next Gen Silicon Valley, the City of Campbell is proud to be part of the Regional Internship Program. The Summer Internship is a two-three month program starting in June and is designed to introduce students to local government careers.

Students will have the opportunity to learn about various areas of City Administration and network with fellow interns. Additionally, students will be able to and participate in professional development activities in San Mateo County and/or Santa Clara County.

Length of internship: Internships will start in June and end in August/September

Salary: \$15.50 - \$23.00 DOE

The following departments will be hosting interns:

- City Manager's Office
- Community Development Department
- Finance Department
- Police Department
- Public Works Department
