

SAN RAFAEL

THE CITY WITH A MISSION

WILDFIRE/DEFENSIBLE SPACE INSPECTORS
San Rafael Fire Department
Full-Time/Temporary – NO BENEFITS
\$29.72 per hour

Applications Reviewed Weekly

The City of San Rafael Fire Department is seeking to fill Seasonal Defensible Space Inspector positions (multiple positions available). The shifts for these positions will vary and are based on the assignments. Shifts will average 8-10 hours per day/4-5 days per week. ***These are temporary/seasonal positions and will receive NO City paid benefits.***

Under supervision, Seasonal Defensible Space Inspectors perform a wide variety of fire prevention duties. This is a great opportunity to gain hands on experience working for one of the finest fire departments in the State. Defensible Space Inspectors are temporary positions for staffing during the peak wildland fire season (for 3-6 months in duration). Defensible Space Inspectors are expected to do sub-professional work in fire prevention or other related work.

Essential Duties and Responsibilities:

- Perform defensible space inspections in accordance with San Rafael Municipal Code 4.12.
- Performs WUI and other Vegetation Hazard Inspections.
- Investigates public and referred public agency complaints.
- Increase awareness, knowledge and actions implemented by individuals and communities to reduce human loss and property damage from wildfires, such as defensible space and other fuels, reduction activities, fire prevention and fire safe building standards.
- Reviews, evaluates, processes, and maintains a variety of files related to fire prevention activities.
- Attends on occasion a variety of continuing education classes, seminars, and/or meetings; remain current on applicable codes, regulations, policies, and procedures.

Knowledge of:

- Principles, practices and techniques of fire prevention.
- Fire prevention codes regulations.
- Knowledge of National Fire Protection Association (NFPA) standards
- Understanding and the ability to utilize the City Municipal Code
- Principles and techniques of fire inspection work is desirable
- English grammar, spelling, vocabulary, letter and report writing
- City's computer hardware and software program.
- Window's, Microsoft Office, Apple products such as iPhones and iPads, City Trakit Software, Emergency Reporting Systems, ArcGIS Collector App.

Ability To:

- Work effectively in small teams or independently for extended periods of time.
- Read and interpret complex technical documents such as maps, diagrams, and textbooks.
- Perform basic mathematical calculations.
- Practice sound judgment.
- Communicate effectively with others.
- Follow both verbal and written instructions.
- Engage effectively with the public and work harmoniously with the San Rafael Fire Department Team.
- Independently conduct fire (defensible space) inspections.
- Apply technical knowledge and follow proper inspection techniques.
- Be self-motivated, work independently to complete assigned duties and responsibilities in a timely manner.
- Interpret and explain fire prevention services, policies and procedures.
- Stay abreast of fire prevention services, policies and procedures.
- Work effectively with the public and representatives of other City Departments and agencies.
- Build and maintain positive working relationships with stake holders to ensure that assigned fire prevention coordination efforts are successful.

Minimum Qualifications Required (please do not apply if you do not meet the requirements below):

- In accordance with State legal requirements, applicants must be at least 18 years old by the application filing deadline.
- Completion of twelfth (12th) grade and any combination of education and experience that would likely provide the required knowledge and abilities in qualifying.
- MUST possess and maintain a Valid California Driver's License with a satisfactory driving record.
- Possession of one or more of the following is desirable:
 - a) A background in customer service or public service
 - b) Completion of CA State Fire Marshal 1A, 1B, 1C, 1D, 2B, & 2C courses
 - c) ICC Certification Fire 77, CA, CF, & CP

Interview Process: The most qualified applicants will be invited to interview.

Application and Selection Process: Resumes do not substitute for the City application.
