The City

San Mateo is a city of approximately 100,000 residents, strategically located midway between San Francisco and San Jose, and is within the Silicon Valley. One of the City's strengths is its diversity, both in the ethnic makeup and the physical development of the community. San Mateo has a vibrant business and retail environment with national and international businesses, two major shopping centers and an active downtown. The community values its historic and new residential neighborhoods and recently approved a major new Transit Oriented Development that will add 1,500 new homes, 300,000 square feet of new retail and as much as 1.5 million square feet of commercial office space.

The City organization has a culture of innovation, collaboration and strong customer service. The City's annual budget is \$130 million and is staffed by over 540 full time employees. The City is continually evaluating new and innovative ways of providing high quality services to its residents while acknowledging the competing demands for the limited funds available. Philosophy of the Chief of Police

The San Mateo Police Department is dedicated to providing the highest level of police services to all persons within our community. Fairness, equality, justice and honor are our guiding principles as we execute our duties and obligations to the office.

The Department also recognizes its responsibility to improve the quality of life for those who live and work within our community by forming cooperative relationships with other City departments and service providers outside the organization.

The Department and Division

The San Mateo Dispatch Center is a division of the Police Department and dispatches for 118 officers in two agencies. The San Mateo Dispatch team is known throughout the County for its professionalism and desire to serve the public. San Mateo dispatchers handle in excess of 50,000 calls for service each year, 300,000 telephone calls, 40,000 9-1-1 calls, while also handling over 2 million radio transmissions.

The Department has implemented an on-line reporting system and is continually evaluating other progressive alternative reporting forms to optimize technology. The Dispatch Center provides contract dispatch services to the City of Brisbane and is currently seeking to expand that role as a regional dispatch services provider. With a new police building, the City of San Mateo's dispatch center is the County's newest state-of-the-art dispatch center.

The Position

The Dispatchers work in a team environment 24 hours a day, seven days a week under the general direction of a Dispatch Services Supervisor.

The Dispatcher I is the entry-level class in the Dispatcher series and requires a strong work ethic, strong customer service and interpersonal skills. Employees at this level are trained in department policies, procedures and systems. Generally, work is observed and reviewed both during performance and upon completion. This class is used as a training class, employees may have only limited work experience.

The Duties

Dispatchers receive incoming calls for police and fire for a number of local jurisdictions and dispatch necessary units using a computer aided dispatch system, processing and prioritizing incoming calls for emergency assistance. Dispatchers perform a variety of general support duties related to communications activities. Primary responsibilities include, but are not limited to:

- Perform a variety of general support duties related to communication activities.
- Operate Computer Aided Dispatch (CAD) equipment and to enter, update, and retrieve information from teletype networks relating to wanted persons, stolen property, vehicle registration and other information.
- Assist in training new employees in dispatch, including complaint desk.
- Determine the nature, location, and priority of an emergency; coordinate the response of police, fire, ambulance or other emergency units through CAD data terminals in accordance with established procedures.
- Compile statistics on calls received.

The Qualifications

Any combination of experience and training that would likely provide the required knowledge, skills and abilities is qualifying. A typical way to obtain this would be:

Experience:

Some telephone or dispatcher experience is highly desirable. Bi-lingual skills are desirable.

Training:

Equivalent to graduation from high school.
