### What's the Role and What You'll Do

We're looking for **highly motivated, passionate, and detail oriented professionals** to take on the role of Engineering Intern in multiple divisions. You will join a fast-paced, dynamic team environment, providing services within the Public Works Department. There is a vacancy in each of the following sections: Land Development, Civil Infrastructure, and Parks & Buildings.

Selected individuals must be equipped to work remotely or on-site at the City of Mountain View (City Hall) with the internship starting in May or June 2026.

This is a part-time paid position, up to 29 hours per week and does not include benefits. The Intern position is a temporary assignment through Summer 2026. These positions include flexible scheduling and college/university credit may be provided, as applicable. Interns receive direction and guidance from an intern host who is part of the management staff.

### The Essentials

#### The Essentials

- Upper-division undergraduate (junior or senior) pursuing a degree in Civil Engineering or a related field.

#### What You'll Do

- Within the Engineering Division of Public Works, the intern will work on a variety of assignments to support one of three sections: Land Development, Parks & Buildings, and Civil Infrastructure. Typical assignments include collecting field data such as photos and measurements, researching utility and other record drawings, assisting with processing permits for street and utility improvements, providing administrative support for engineering projects including data entry and counter support, and coordinating with other Engineering sections.

### Are We a Match?

- You are **interested** in working within **local government** and will uphold the City's code of ethics and mission.

- You are highly **motivated, reliable** and **quick-to-learn**, and you **take initiative** and start sentences with “I can...”
- You are able to establish and maintain **effective work relationships** with a diverse population and **work in a team**.
- You are **customer service focused** and can **express yourself clearly and professionally**, both orally and in writing.

### The Perks

- **Growth** – we are committed to exposing you to a work environment that will sharpen your writing, presentation, research, analysis and critical thinking skills.
- **Training** – this internship experience will be supplemented with training and external educational sessions.
- **Networking** – access to a network of professionals in the field of local government.
- **Course Credit** - if applicable, college/university credit may be provided.
- **Extra Extra!** Access to an onsite gym.
