What's the Role and What You'll Do

We're looking for a **highly motivated, passionate, and detail-oriented** professional to take on the Enterprise Applications Intern in the Information Technology (IT) Department.. You will join a **fast-paced, dynamic team environment that provides high-level support services within the IT Department**. The selected individual must be equipped to work remotely or on-site at the City of Mountain View (City Hall) with the internship starting in May or June 2026.

This is a part-time paid position, up to 29 hours per week, not including benefits. The Intern position is a temporary assignment through Summer 2026. These positions include flexible scheduling and college/university credit may be provided, as applicable. Interns receive direction and guidance from an intern host who is part of the management staff.

What You'll Do:

The intern in this position will support the development of AI chatbots/agents that enhance local government services and improve public access to information. In this role, you will help design, test, and refine conversational tools while also gaining experience in enterprise application support, project management, and documentation. This is a great opportunity to build practical skills in applied AI and enterprise systems while contributing to meaningful civic innovation

The Essentials

The Essentials:

- Currently enrolled in a Bachelor's program in Computer Science, Information Systems, Data Science, Software Engineering, or a related field.

Bonus Points:

- Coursework or experience in AI, machine learning, or application development.

Are We a Match?

Are We a Match? :

- You are **interested** in working with local government and will uphold the City's code of ethics and mission.
- You are highly **motivated, reliable** and **quick-to-learn**, and you **take initiative** and start sentences with "I can..."
- You can establish and maintain **effective work relationships** with a diverse population and **work in a team**.
- You are **customer service focused** and can **express yourself clearly and professionally**, both orally and in writing.

The Perks

- **Growth** – we are committed to exposing you to a work environment that will sharpen your writing, presentation, research, analysis and critical thinking skills.
- **Training** – this internship experience will be supplemented with training and external educational sessions.
- **Networking** – access to a network of professionals in the field of local government.
- **Course Credit** - if applicable, college/university credit may be provided.
- **Extra Extra!** Access to an onsite gym.
