SALARY: \$79,976.00 - \$97,219.00 Annually

The Parks Division is in charge of planning and maintaining the City's parks, playgrounds, sports fields, and other landscaping and performs a wide range of tasks in order to care for City parks and open spaces. Staff work throughout the year to refresh the appearance of parks repairing or replacing items as needed to keep public spaces clean and safe. There are approximately 25 parks and play lots, including Sign Hill Park, which has 60 acres of open space, and Centennial Way Linear Park, a 3-mile pedestrian and bicycle trail. Amenities include Centennial Dog Park, bocce ball courts, an above-ground skate park, a variety of ball fields, tennis and basketball courts, picnic shelters and group picnic areas.

IDEAL CANDIDATE | The ideal Senior Park Maintenance Worker is an experienced and skilled professional in parks and landscape maintenance who takes pride in maintaining public spaces to the highest standards. This individual demonstrates a strong work ethic, values teamwork and safety, and brings both technical expertise and leadership capabilities to the role.

The ideal candidate is adept at operating and maintaining various landscaping equipment, tools, and systems, including irrigation and power-driven machinery. Their knowledge of plant care, pest management, and equipment repair enables them to effectively maintain complex park areas, street medians, trees, recreational facilities, and public landscapes. The ideal candidate is someone who enjoys working outdoors, takes initiative, and has a passion for creating and maintaining beautiful, functional public spaces that enhance community well-being.
