

Principal Civil Engineer and Principal Transportation Planner

County of Marin Department of Public Works Traffic & Transportation Division

Date Posted:

02/07/2025

Salary:

\$129,792.00 - \$189,800.00 Annually, Depending on Position and Qualifications

Description:

Are you passionate about creating safer, more sustainable transportation systems? Do you thrive in a forward-thinking environment that values innovation, collaboration, and proactive problem-solving? If so, we invite you to apply for the position(s) of Principal Civil Engineer and Principal Transportation Planner with the Marin County Public Works Traffic & Transportation Division

There is currently one (1) full-time, regular hire Principal Civil Engineer and one (1) full-time, regular hire Principal Transportation Planner vacancy.

The **Principal Civil Engineer** position oversees a major division within the Public Works Department with management responsibilities over the Public Works Traffic and Transportation Division, including traffic engineering, active transportation planning, grant applications, and project programming. The Division is comprised of 8 accomplished planners, engineers, and support staff that evaluate the County's transportation existing infrastructure, plan for future growth and user needs, and recommend enhancements for future implementation.

The **Principal Transportation Planner** oversees the Division's active transportation planning efforts, including the development of plans to improve the accessibility and safety of walking, biking, and other non-motorized transportation. Their team works to create a safer, more connected community by using data to analyze community transportation needs, soliciting public input, developing, and prioritizing recommendations for improvements, and securing funding for future projects.

Signing bonus:

The **Principal Civil Engineer** position is eligible for a \$10,000 signing bonus and an additional 2% differential above base salary as a California-licensed Professional Civil Engineer.

Qualifications:

For more information about this exceptional career opportunity, including the complete recruitment brochure, required qualifications, and how to apply, please visit <https://ralphandersen.com/jobs/principal-transportation-planner-marin-county/>.

Candidates will be considered for the position(s) they meet minimum qualifications of.

How to Apply:

To be considered, submit a comprehensive resume and cover letter to apply@ralphandersen.com. Details should include which position(s) you are interested in along with the size of staff, budget oversight, and specifics on project management responsibility with listing of capital project accomplishments.

Filing Deadline:

Interested candidates should **apply immediately** as this position may close once a viable pool of highly qualified applicants is achieved.
