

PRINCIPAL TRANSPORTATION PLANNER for Programming & Project Delivery

**\$82,400 - \$118,141 ANNUALLY
PLUS EXCELLENT BENEFITS**

The Stanislaus Council of Governments (StanCOG) is seeking a qualified planning professional to be a part of the StanCOG team.

The Position:	This is an exciting career opportunity to lead the implementation of the agency's transportation sales tax program, administer the agency's federal and state transportation project revenues and grant programs, and oversight the timely and cost effective delivery of high profile capital projects for the Stanislaus region.
Candidates:	<p>The ideal candidate will:</p> <ul style="list-style-type: none"> • Possess excellent interpersonal skills required to supervise a small staff of direct reports and collaborate with other government agencies; • Possess leadership abilities and be comfortable working with a degree of independence within the agency while under the general direction of the Deputy Director of Planning and Programming; • Be a strategic thinker, a creative and resourceful problem solver, and approach the job with an entrepreneurial spirit; • Be an effective public speaker and write professional reports.
Education/ Experience:	Successful candidates will have a minimum of six (6) years of progressively responsible experience in transportation project/program management and funding; one (1) year supervisory experience preferred but not required. Demonstrated experience working with the California Department of Transportation on transportation funding and project delivery is highly desirable. A Bachelor's degree in civil engineering, regional, urban or transportation planning, or a related field from an accredited college or university is also required.
Benefits:	StanCOG offers a competitive salary and excellent benefit package including retirement benefits, health benefits, a flexible schedule and more!
About StanCOG:	StanCOG is the federally-designated Metropolitan Planning Organization (MPO), state-designated Regional Transportation Planning Agency (RTPA), and Local Transportation Authority (LTA) for the Stanislaus region of Northern California. StanCOG provides the forum that brings mayors, city council members and county supervisors together to work on regional transportation issues in a setting that promotes the involvement of the public in the planning and project delivery process.
