Tri-City Mental Health Authority invites your application for the position of:

PSYCHIATRIC TECHNICIAN I/II/III (Full-Time)

HOURLY RATE: I - \$20.5002 - \$26.6505

II - \$22.5505 - \$29.3155

III - \$24.8053 - \$32.2471 (DOQ)

DEADLINE TO APPLY: OPEN UNTIL FILLED

Tri-City is looking for an individual to fill the position of Psychiatric Technician I/II/III as part of the Intensive Outreach and Engagement Team. This particular position will report to the Intensive Outreach and Engagement Team Supervisor & the Crisis & Medication Support Manager. The Psychiatric Technician I/II/III will appeal to individuals who are inspired by the challenges and opportunities that may present while working with an engaged and active community by providing all manner of adjunctive medication support services, case management, mental health support and working within a field based multidisciplinary team.

This position is responsible for a variety of ongoing responsibilities including, but not limited to:

- In collaboration with the Agency's Psychiatrists, will provide medication support services including injections, medication monitoring, non-prescription medication, etc.;
- Provide direct and indirect care including taking and recording measures of the client's physical condition such as temperature, blood pressure, pulse and respiration;
- Observe, evaluate, record, and report changes in client's condition to the appropriate designee or designees within the multidisciplinary team;
- Implement de-escalation procedures and techniques to aid clients in crisis to help prevent injury to themselves or others through verbal intervention;
