The San Rafael Fire Department strives to provide the best fire and EMS services possible; a service that is capable, compassionate, predictable, and sustainable.

ABOUT THE DEPARTMENT

We are nearing completion of historic improvements and changes that make our department an exciting and worthwhile place to invest your career in the fire service.

In furtherance of our mission to help and deliver exceptional public service, we have added state-of-the-art fire apparatus and ambulances, EMS equipment and technologies, and invested millions of dollars rebuilding five fire stations including a brand-new Public Safety Center.

We recently established a marine program, which includes our 30' fire boat. We are expanding the program to include rescue swimmers, inflatable rescue boats, and rescue watercraft.

Station 52 and 57 opened in mid-2019 complete with new drill grounds, a four-story training tower, burn room, and a classroom with world-class facilities.

The new Public Safety Center in downtown San Rafael opened in 2020. This brand new, 44,000 square-foot building houses Fire Station 51, fire administration, prevention, the police department and emergency management services.

Stations 54 and 55 underwent complete renovations this past year, making them the fourth and fifth stations to be rebuilt in the past 5 years. Together, the stations represent the commitment from the community to our service and ensure the health and wellness of our personnel.

JOIN OUR TEAM AND MAKE A DIFFERENCE EVERY DAY!

THE IDEAL CANDIDATE

The Firefighter-Paramedic protects life, property, and the environment by performing firefighting activities, emergency medical aid, hazardous materials response, and fire prevention duties. The position is also responsible for maintaining fire equipment, apparatus, and facilities.

The Department seeks individuals whose values align with our departmental commitment to respect, integrity, compassion, equality, and fairness. Our six San Rafael neighborhood fire stations deliver exceptionally courteous, compassionate, and professional public service. Our firefighters are committed to helping their community and their fellow peers. Our workforce is diverse and continuously strives to reflect the diversity of the communities we serve. Our members work closely with multiple service agencies to ensure we are meeting the unique needs of the multicultural community of San Rafael.

Our department supports a behavioral health program consisting of IAFF trained Peer Support members, as well as members trained in critical incident stress management. The culture established by our personnel is cited as a key contributor to what makes the San Rafael Fire Department a great place to work. With over half of our line personnel having been hired within the past decade, there is a major focus on physical fitness, training, health and wellness, and an overall excitement about learning the art and trades of firefighting and emergency medicine.
