

## EMPLOYMENT OPPORTUNITY

# Supervising Public Health Nurse II

## Director of Nursing

**Hiring Range:** \$7,699- \$8,469 Monthly + Benefits

The County of Yuba is currently recruiting for the position of Supervising Public Health Nurse II in the Health & Human Services Department. Under general supervision, the incumbent plans, organizes, reviews and evaluates public health nursing activities for the Yuba County Public Health Division; serves in the capacity of the Director of Public Health Nursing pursuant to the California Code of Regulations 17 CCR § 1253; assists in the development and implementation of public health goals, objectives, standards of performance and policies and procedures to meet legal, organizational and public health nursing needs; assigns, supervises and evaluates the work of professional nursing staff; and performs related duties and responsibilities as assigned. As a nursing professional, the incumbent promotes initiatives to improve the health and well-being of the community and prevent chronic and communicable diseases; consults on public health emergency preparedness and response and performs related duties as assigned. This is an advanced supervisory level in the Public Health Nursing series. The Health and Human Services Department offers flexible work schedules.

**Ideal Candidate:** This position acts as a Director of Nursing for the County. The ideal candidate for this position will have an excellent understanding of the 10 essentials of Public Health services and how they are integrated into the daily activities of the division. They will have the ability to work autonomously to plan and manage complex programs and maintain compliance. The successful incumbent takes initiative and is innovative in their approach, while supporting the division's strategic plan and accreditation. They will also possess excellent leadership skills and have the ability to coach and mentor employees to produce valuable, motivated and team oriented staff. This position requires experienced nursing ability in a public health setting and the soft skills needed to be a collaborative community and internal partner.

### Required Qualifications:

**Minimum:** Bachelor's degree in nursing (BSN) from an accredited school of nursing and three years of progressively responsible experience in public health nursing.

**Preferred:** In addition to the minimum, a Master's degree in Nursing, Public Health or Administration, with five years of progressively responsible experience as a Public Health Nurse, and two years as a Public Health Nurse Supervisor in a public health setting.

**Licenses and Certifications:** Possess a valid California Class C driver's license; maintain throughout employment. Possess and maintain a current license as a Registered Nurse in the State of California; must provide proof of re-certification within 10 calendar days prior to expiration. Posses a current certification as a Public Health Nurse in the State of California.

**Working Conditions:** Work is performed in a typical office or

clinic setting and in the field at various community or residential locations. Work may require exposure to sources of potentially contagious pathogens in the course of field duties, while wearing personal protective equipment. When in the field, work with exposure to inclement weather, temperature extremes, equipment noise, heavy traffic and exhaust fumes, or other potentially dangerous conditions. May be required to work extended hours, weekends, holidays, evenings or irregular work shifts. May be required to attend meetings outside of normal business hours. May be required to be available for call back in emergency situations during weekends, holidays, and other off-hour shifts.

### About Public Health:

Yuba County Public Health nurses work with individuals, families, and the community in a holistic way. The Social Determinants of Health and the 10 Essential Public Health Services heavily influence our programs and initiatives. This may look like applying fluoride varnish to a child, helping a new mother learn how to breastfeed, assisting a father who is worried about his one year old child's developmental status, developing programs to assist the community achieve wellness and managing a caseload of medically fragile children or children in foster care.

### About Yuba County:

Yuba County is situated in the Northern Sacramento Valley, approximately 40 miles north of the State Capitol in Sacramento and two hours away from San Francisco and Lake Tahoe. The boundaries stretch from the farms and orchards of the valley to the timberlands of the Sierras. Yuba County offers its residents the many advantages of a rural lifestyle away from the pressures of the urban areas. The County's rivers, lakes and outdoor recreation areas provide excellent hunting, fishing, boating and skiing opportunities. Our County vision is to create a "golden" future for Yuba County by inspiring a community of participation, embracing our unique history, and discovering the wealth of our untapped potential.
