

## **EMPLOYMENT OPPORTUNITY**

### **Wastewater Treatment Plant Operator I (\$19.81 – 25.36 per hour)**

The City of Chowchilla is seeking a Wastewater Treatment Plant Operator I to assist in the operation and maintenance of the City's wastewater treatment and collection system under general supervision of the Utilities Systems Supervisor and/or Director of Public Works.

Full-Time Positions Available

### **APPLICATION DEADLINE: Until Filled**

Applicants are recommended to apply and submit application materials online at [www.CalOpps.org](http://www.CalOpps.org). Application materials can also be emailed or hand-delivered to Chowchilla City Hall, Human Resources, 130 S Second Street, Chowchilla, CA 93610; emailed to [JMcClendon@CityofChowchilla.org](mailto:JMcClendon@CityofChowchilla.org); faxed (559) 665-7418.

#### **THE TREATMENT PLANT AND COLLECTION SYSTEM**

The City of Chowchilla wastewater treatment plant is a 1.8 MGD activated sludge treatment plant serving a population of approximately 13,000, running at 60% capacity. It includes wastewater treatment, aerobic sludge digestion and gravity dewatering. The collection system consists of nearly 25 miles of gravity pipes and 3 miles of force main fed by three lift stations.

A series of substantial projects to increase plant capacity and efficiency are planned over the next few years, beginning with a photovoltaic installation in the next 12 months. Upgrades to mechanical equipment in concert with control and information systems upgrades will increase efficiency and capacity. The incumbent will have the opportunity work with experts and provide input during the planning and construction of these improvements.

#### **WASTEWATER TREATMENT PLANT OPERATOR I**

This position is a full time, entry-level position. This individual will normally work under general supervision performing a group of related duties according to established procedures at the wastewater treatment plant and the wastewater collection system. While a variety of tasks may be assigned, each

step usually follows a pattern which has been established and explained. The position reports to the Chief Waste Water Plant Operator.

## **JOB REQUIREMENTS**

**To be eligible for this position, a candidate must possess of a State Water Resources Control Board Grade I Wastewater License. Candidate must also possess a valid Class "C" California Driver's License by time of appointment.**

**Due to the 9-hour plant operation requirement, the selected candidate must have the ability to, respond on weekends or holidays, and the ability to report to the work-site within forty (40) minutes after receiving notification of being called back.**
