

HONORARY DEAN ALLISON INTERNSHIP
San Rafael Public Works Department
PART-TIME (UP TO 30 HOURS PER WEEK). NO BENEFITS AVAILABLE.
\$24.46 - \$28.31 per hour

Application Deadline: Apply by Sunday, March 1, 2026, 5:00 p.m., for first consideration

The City of San Rafael Public Works Department (DPW) is seeking an individual to join the team as part of the Honorary Dean Allison Internship program. This position will work part-time (up to 4 days/30 hours per week) with department staff on special projects and move forward the mission of San Rafael to support the community members we serve.

The Honorary Dean Allison Internship was created to honor Dean Allison, the City's Public Works Director from September 2015 to March 2016, before his untimely passing. In his brief time with the City, he embraced and embodied the ideals of public service and transparency. Dean focused on the needs of the public and worked effectively with individuals and groups throughout San Rafael to respond decisively to a broad spectrum of needs both large and small in a creative and community focused way. The namesake internship celebrates his life and his time serving the citizens of San Rafael.

The City of San Rafael's Organizational Culture framework is a [Helen Putnam Award](#)-winning initiative called "[Together San Rafael.](#)" City employees are our greatest asset, and we seek talented individuals with diverse backgrounds who are creative, curious, and excited about a challenge. The Together San Rafael initiative is focused on modernizing city services and increasing employee engagement. This initiative recognizes the interconnectedness of the customer (the community) and employee experience.

Together San Rafael is about:

- Collaborating across all City departments
- Empowering all City employees to share and implement innovative ideas
- Celebrating day-to-day department innovations

The successful candidate for the Honorary Dean Allison Internship will have the opportunity to gain hands-on experience on various municipal engineering and public works projects while engaging with the community and other department staff to realize Citywide visions and innovations.
